

Delivery Period / Manufacturing Time Required

Our order delivery period (time required to manufacture) is between 3 and 6 weeks.

This is an indication only and is influenced by seasonal trade fluctuations.

Only when all the *print requirements* have been met will we be able to confirm the delivery date.

If you must have delivery by a specific date you must inform us right up front to prevent the order not going out on time.

If you need to arrange for delivery sooner than 3 weeks please read through the [RUSH ORDERS](#)

What Are Print Requirements?

Before manufacturing of any order can begin we must have

1. the "Final Artwork Proof" approved in writing.
2. A deposit that reflects in our bank account.
3. A confirmation email from ourselves informing you production begins.

Once we have these documents we can then calculate production and delivery.

NB: THESE DOCUMENTS ARE ALWAYS REQUIRED
